**Essential Duties/Responsibilities:**

- Operate fabrication equipment in a safe manner following manufacturer's procedures.
- Hand polish material within acceptable company standards.
- Maintain machines and hand tools on a daily basis.
- Maintain work area so that it is clean and neat at all times.
- Strict adherence to company safety policies.
- Other duties as assigned.

**Qualifications:**

- Ability to lift between 75 and 100 pounds of material unassisted and on a regular basis.
- Ability to read and comprehend simple instructions, short correspondences and memos.
- Ability to add, subtract, multiply and divide in all units of measure using whole numbers, common fractions and decimals.
- Ability to be personable in customer interaction scenarios.
- Excellent problem solving skills.
- Ability to verbally communicate effectively with all levels of staff as well as customer.
- Excellent attention to detail and accuracy.
- Ability to work independently with little supervision.
- Ability to prioritize and multi-task.
- Well organized.
- Project a positive company image to the public.
- Previous experience with or demonstrated ability to learn product fabrication techniques.
- Ability to work well under pressure.

Nonn's Flooring, Inc. is an Equal Opportunity/Affirmative Action Employer.
