

Position: CNC Operator-Stone

Join a team with a 30+ year commitment to offering first-quality materials, competitive prices, and unmatched service.

Nonn's Kitchen Bath and Flooring is currently seeking a qualified candidate to succeed in the role of **CNC Operator**. This is a full-time, hourly position that reports to the Fabrication Supervisor with the primary responsibility to operate CNC Stone Fabrication machines and produce quality products made from Granite, Quartz and other stone.

Essential Duties/Responsibilities of the CNC Operator-Stone:

- Interpret drawing files from Programmer to determine how to cut and polish material
- Enter information from drawings into machine software
- Operate CNC machine in fulfillment of job duties
- Follow and enforce all Safety rules.

Qualifications of the CNC Operator-Stone:

- Ability to lift between 75 and 100 pounds of material unassisted and on a regular basis.
- Ability to read and comprehend instructions, short correspondences and memos.
- Demonstrated ability to be mechanically inclined and understand technical data.
- Computer skills and the ability to learn the company computer software program.
- Ability to add, subtract, multiply, and divide in all units of measure using whole numbers, common fractions and decimals. Ability to identify variances from the norm. Ability to calculate multiples of units of measure and convert units of measure.
- Previous experience operating machines is required.
- CAD experience preferred.

Nonn's Flooring was founded over 30 years ago, and over that time, we've become the largest independent retailer of flooring in Wisconsin. Since then, we've added counter tops, cabinets and appliances to our selection of products, making us the first stop for Wisconsinites looking to create the home interior of their dreams.

Nonn's Flooring, Inc. is an Equal Opportunity/Affirmative Action Employer.
